

↗ ONEGOAL LEADERSHIP NETWORK ↗

Leaders Create Opportunity

A systems-level, multi-year path to improvement that takes postsecondary outcomes to the next level

Transform postsecondary leadership across your district. Create a strong, shared plan that invests entire communities and increases college and career outcomes for all students.

Our Solution ↘

Year 1: Assessment + Planning

Use our research-backed Postsecondary Readiness Rubric to identify your needs and growth opportunities. We'll help you analyze results, hone your vision, and create a tailored improvement plan.

Year 2: Tailored Supports

Work with an expert coach and peers to implement your plan, and collect ongoing data to inform your strategy. Our team combines deep subject matter knowledge with hands-on experience.

Year 3: Sustainability Planning

Check for progress toward your goals and lay the groundwork for the future. Your coach ensures continued success by helping you empower others across your system.

How We Work ↘

District + School Leaders: We've worked with teams of all sizes. Your key leaders join us and together, we identify critical levers for system-wide improvement, align on a vision, and collaborate to strengthen your college + career supports for all students.

Leadership Coaches: Our team brings extensive experience as former school and district leaders. They roll up their sleeves to provide strategic insight, tools, and resources. You'll have a dedicated coach and access to a network of diverse leaders.

OneGoal does an amazing job of understanding the context and needs of the district and schools they support. They help us create a plan of action by intentionally analyzing our data. Having an experienced coach has been invaluable."

— OneGoal District Partner

What Makes Us Different ↘

Grounded in Experience:

This solution is built on the success we've had working with students, educators, and system leaders for over 15 years.

Data Driven: We help you analyze research-backed metrics that are responsive to your local context and predict students' success beyond high school graduation.

Culture Change: High expectations and collective responsibility become part of your culture.

Enduring Impact: Build the groundwork for continued impact in the years to come.

92%

Student Outcomes:

92% of our district partners agree OneGoal helps them improve their students' postsecondary outcomes.
