

# Reimagining Postsecondary Advising + Support

Navigating the postsecondary landscape is complex. With nearly two decades of experience working alongside educators and students, OneGoal knows what works. With OneGoal, schools make college + career planning an integral part of the high school experience.

## OneGoal

→ A Class that Changes Futures

**An in-depth model that starts as a class in high school and continues with support through the first year after high school**

Turn college + career preparation into an integral part of the high school experience. Our proven flagship model helps cohorts of students enroll and succeed in their chosen pathway.

for **Educators + Students**

~25 Students Per Cohort // 3-yr Program

- + Prioritize underserved students
- + Build your educators' expertise with OneGoal frameworks + curriculum
- + Provide differentiated advising that encourages diverse pathways
- + Track actionable student data
- + Engage students in college + career visits
- + Access micro-grants + postsecondary partnerships to support students

Increase ↗ your students' postsecondary enrollment, persistence, and graduation

## OneGoal Essentials

→ College + Career Advising for All Your Students

**A broad school-wide solution that brings critical college + career support to students across entire grade levels**

Expand support beyond the counselor's office and transform advising and support for all of your students.

for **Educators + Students**

Entire Grade Levels // 5 Milestones

- + Tailor to your school's structure, starting as early as 9<sup>th</sup> grade
- + Receive school-wide foundational training + on-demand training for each milestone
- + Provide more high-quality advising to more students
- + Encourage diverse college + career pathways
- + Track actionable student data

Increase ↗ the amount of college + career support your students receive

## OneGoal Leadership Network

→ Leaders Create Opportunity

**A tailored systems-level path to improvement transforms postsecondary leadership at the district level**

Create a strong, shared plan that increases college + career outcomes for all students. Receive expert coaching every step of the way.

for **School + District Administrators**

Leadership Teams // 3-yr Experience

- + Identify your unique needs
- + Define a focused plan
- + Invest your community
- + Build new expertise + skills
- + Learn + discuss with peers
- + Partner with an experienced coach who works alongside you throughout implementation
- + Make organization-wide improvements

Increase ↗ postsecondary outcomes for students across your entire district + create structures for enduring impact

Let's transform postsecondary advising and support so every student has the power to define their future.
